Procurement that keeps institutions moving

Central Side Procurements is a citizen-owned Zambian business providing reliable procurement, sourcing and supply services to healthcare facilities, educational and research institutions, public bodies and private organisations.

ESTABLISHED IN ZAMBIA

More than two decades of practical procurement experience

Registered 7 November 2001 • PACRA No. 100600 • Citizen owned

Our role

We connect client requirements with dependable suppliers, competitive pricing and timely delivery—while maintaining transparency and service quality throughout the procurement cycle.

- | | | |
|----|-----------------|---|
| 01 | Source | Identify suitable, reputable suppliers. |
| 02 | Evaluate | Balance quality, compliance, price and lead time. |
| 03 | Supply | Coordinate fulfilment and delivery. |
| 04 | Support | Respond quickly and protect continuity. |

A clear purpose, grounded in fair trade

VISION

To contribute to Zambia's economic growth through the provision and promotion of fair trade in the procurement sector.

OUR AIM

Do it right the first time.

Values that guide every order

- | | | |
|---|------------------------------|---|
| 1 | Integrity | We honour commitments and act responsibly. |
| 2 | Transparency | We communicate clearly throughout the process. |
| 3 | Fairness | We pursue equitable, value-conscious procurement. |
| 4 | Quality | We protect standards in products and service. |
| 5 | Customer satisfaction | We remain responsive to client needs. |
